Parking

The parking entrance is behind the 24 story white-gray Oracle building. The parking fee is $10.00 per day. There are no in/out privileges.

Facility Description:

The MicroTek computer training facility is in a 24 story, white-gray building on the South East corner of N. Sepulveda Blvd and Grand Avenue. We are on the 12th floor just outside the elevators.

The MicroTek Los Angeles learning center is located 20 miles southwest of Downtown in the Beach Cities area, just over a mile from the LAX international airport, and two blocks from the Green Line Metro Link. Local benefits include a deli in the building, hotels within walking distance, and the ocean a couple of miles away.

The rental facility has 9 classrooms, and a break room. Classrooms are equipped with high-speed internet access. Wireless (Wi-Fi) service is available for the students' use along with a phone station and 3 email stations. MicroTek has been providing high-tech computer labs since 1991.
